The Journalism students have been asked as a part of their class assignments to interview the seniors about student life at CCA. Today’s interview was done by school journalist Madison Sheriff.

**Madison:** How has CCA impacted your life spiritually and in your life in general?

**Zack:** It has taught me about social skills and about the Bible. It kept me out of public school. If I hadn’t of come here I wouldn’t have found that “special person” that I met.

**Madison:** What is your best memory from CCA?

**Zack:** Cookout milkshakes from Mrs. Bowser for being good. “I rarely got them, so it was a special treat.”

**Madison:** Which teacher do you feel has impacted your life the most?

**Zack:** Mrs. Huffman & Ms. Miller

**Madison:** What is your funniest memory from CCA?

**Zack:** Whenever Seth and I started singing, “We are the Black Sheep of The Family” during a Christmas play, when we were sheep.

**Madison:** What has been your favorite class and why?

**Zack:** Algebra, because most days I got my homework done in class.

**Madison:** What was your most embarrassing moment in school?

**Zack:** “I don’t get embarrassed.”

**Madison:** If you could give any advice to your underclassmen, what would it be?

**Zack:** Love the Lord thy God and love thy neighbor as yourself.

**Madison:** If you could go back in time to the beginning of your high school years, what would you tell yourself?

**Zack:** I wouldn’t want to go back.

**Casey:** What do you plan to do after graduation?

**Zack:** I plan to work.
